

# Wrath

## 2025 Wrath Pinot Noir Saignée, San Saba Vineyard

### Overview

Wrath represents a nexus of nature and an unbridled passion for winemaking. We produce site-driven Pinot Noir, Chardonnay, Syrah, and Sauvignon Blanc from our estate vineyard and respected properties in the Santa Lucia Highlands. Our production is small, our distribution is limited and our wines reveal attitude, passion, and an inherent respect for what a vineyard can give us.

### Philosophy

Our wines are a record of the topography, geology and climate of a finite, naturally defined piece of land over the span of a growing season. They chronicle the elaborate dance between terroir, grape, people and time. While all of our wines possess strong varietal characteristics, their real strength is their ability to deliver the unique aromatics, flavors and textures of a specific site.

### Vineyard

Our Estate San Saba Vineyard is set in a sheltered nook just below the Santa Lucia Highlands AVA. The estate consists of 72 acres of which 67.75 are planted to Chardonnay, Pinot Noir, Sauvignon Blanc, Syrah and Falanghina. This is a cool site with little rainfall and one of the longest growing seasons in the world. Our soils, Arroyo Gravelly Loam and Hanford Gravelly Sandy Loam, provide a low-vigor, well-draining, disease- and pest-free medium for our vines. They also impart a subtle mineral quality to our wines.

To preserve our local ecosystem, we have worked with viticultural consultant Steve McIntyre to develop a sustainable farming program tailored to our estate that is certified by the CCVT (Central Coast Vineyard Team). In addition to protecting the local environment, we believe it allows us to produce wines that are more authentic and specific to our terroir.

### Production Notes

Bright red fruit and moderate (12.3%) alcohol make this hedonistic rosé the perfect summer wine. This wine is a bleed off our lots of pinot noir as they sit in a cold soak. Aged for four months in stainless tanks, this wine captures the essence of our award-winning San Saba Vineyard fruit in a refreshing and food-friendly saignée of 100 percent Pinot Noir.

### Technical Data

Composition	100% Pinot Noir
Vineyard	San Saba Vineyard
AVA	Monterey
Clones	100%- 828 clone
Oak	none
Alcohol	12.3%
Cases produced	387
