

2024 EX Chardonnay

Unoaked, Monterey

Tasting Notes: With a name meaning “out of” in Latin, EX speaks to our focus on expressing the personality and characteristics of our Certified Sustainable (SIP) estate vineyard. Our 2024 EX Chardonnay comes from the original 40+-year old, own-rooted Clone 4 planted on our estate vineyard. It is fermented (primary only) and aged for 3 months in stainless steel. The resulting unoaked wine is bright and direct, yet deceptively rich. The nose has a citrus note and flavors offer orange and pear. There is a noticeable but balanced acidity with a full mouthfeel.

Certified Sustainable (SIP)
